A Message from Mrs. Sandra Bottge, Principal:

“Praise him with timbrel and dancing, praise him with the strings and pipe, praise him with the clash of cymbals, praise him with resounding cymbals. Let everything that has breath praise the LORD. Praise the LORD.” (Psalm 150:4-6)

Mrs. Clark read from Psalm 150 at beginning of our violin chapel this week. She reminded us that learning to play an instrument and using your gifts to bless others is a great way to praise the Lord. Forty-four students from grades 2-4 praised the Lord with their violins as they played songs they learned throughout the year. The highlight of the chapel was when all 44 students played “Jesus Loves Me” in harmony.

We are very thankful to God who gives us gifts in music, to Mrs. Clark for sharing her talents and training our students, to our parents for their partnership in establishing good practice habits and to our students who work diligently to enhance their musical skills.

As a reminder, there is one more class for Mad Science and Spanish Club. All other lessons and clubs are done for the year. Please look for the clubs and music lessons we will be offering next year at the start of the coming school year.

TRIP News: The last day that TRIP will accept your in-school orders is Thursday, June 8. These orders will be filled and returned to you on Wednesday, June 14.

Please note that our regular Friday TRIP Store hours will remain the same throughout the summer - 8 a.m. until noon. We will still be located at the ECMS.

The TRIP office is looking for volunteers to help out at the TRIP store on Friday mornings from 7:45 a.m. until noon starting in September. This commitment would be for one Friday a month at the most, depending on how many volunteers we receive. Please call or text Sharon Spoelstra at (201) 650-7056 for more information.
