

# ★ THE AMERICAN EXPERIENCE HOSTING OPPORTUNITY

## American Experience July 18 - August 5

Become a host family to an International Student for our American Experience program! Eastern Christian School is currently seeking host families for our Summer American Experience program. As an EC host family, you will offer a young International Student the opportunity to discover America through your eyes. Your family will not only gain a new family member, you will also learn about a different culture, its values and traditions, language, food, and more.

### What potential host families should know:

The International Students will be in class or activities every weekday. Families just need to provide room and board and a safe, loving environment in the evenings and on weekends. A stipend is provided to cover hosting expenses.
