May 1, 2020

For more information contact the Ball State Journalism Workshops office at bsuworkshop@bsu.edu.

FOR IMMEDIATE RELEASE

Winners announced for 65th annual J-Day contests.

Ball State's annual J-Day draws more than 1,000 student journalists and their advisers to campus for a day of informative sessions and journalism-related activities. The J-Day contests are a way for high school students to get valuable recognition for their work. We were saddened by the cancellation of the 2020 J-Day due to COVID-19 but optimistic about continuing the contests. The J-Day contests were carefully judged, and the 2020 winners are honored here. This year has been the largest contest in recent history with more than 600 entries. Thank you to everyone for participating, especially during these hard times.

Listed on the following pages are the students and schools receiving honors in the 2020 J-Day contests.
