Community College

Advantages

- Credit transfer to NJ state colleges, agreements
- Transitional step toward independence
- Good if you are still undecided on a major
- Short-term expense (cost per credit is much less than 4-year schools)

Drawbacks

- Credit transfer to some private colleges
- Limited social engagement
- Social challenges of transferring mid-way through college
- Long-term expense (4-year colleges will offer more scholarships to first-time freshman than transfer students)

Vocational/Trade Schools

- Develop a specific skill (automotive technology, hvac, dental assistant)
- Trades will be in demand!
- Shorter commitment - usually 6 months to 2 years
- Local Examples:
 - Lincoln Tech
 - Eastwick
 - Fortis Institute
 - Parisian Beauty Academy
 - Berkeley College
 - Servant's Heart Workmanship Training and Mentorship Program

Choosing a 4-year college

Preference or Deal Breaker?

- Identify your priorities, or values, when it comes to looking for a college/career
- Possible questions to ask yourself:
 - Do I want to stay close to family, or spread my wings?
 - Do I want 4 seasons of weather, or 12 months of summer?
 - Am I excited to be in a small school/career setting where I can meet everyone and get to know them? Or do I want to be a little fish in a big pond?
- Create a list of your top 5-10 priorities
- Which of these priorities are preferences and which are deal breakers?

Create Your Lists

| Priorities |
|------------|
| 1. |
| 2. |
| 3. |
| 4. |
| 5. |
| 6. |
| 7. |
| 8. |
| 9. |
| 10. |

| PREFERENCES | DEAL BREAKERS |
|-------------|---------------|
| | |

1892

Remember...

- Do not box yourself in with your list
- It's okay if these things change!
